Art Analysis!

Have you ever looked at a painting hanging in a gallery and wondered why on earth someone thought it was "art?" This is the question at the heart of *Art* at Interplayers Theater, March 11-14. This crisply written, intelligent and funny play won the 1998 Tony Award for Best Play. Along with questions about art are intertwining themes of friendship and life. Reviewers have commented that the dialogue is "Don Rickles if he had a degree from the Sorbonne." *Art* stars renowned actor Jack Bannon. Tickets range in price from \$14-21. For more information visit Interplayers.com or call 455.7529.

Jewelry & Gems!

For fifty-one years the Rock Rollers Club of Spokane has been putting on a rock show! By "rocks" we mean glittery gems, fine stones and jewels. The Gem, Jewelry and Mineral Show, March 12-14 at the Spokane County Fair and Expo Center, is a sight for sore eyes! Over 40 vendors will display beautiful, handcrafted jewelry, gemstones, and lapidary supplies. Spin the wheel for prizes, bid for something at the silent auction and watch artisans at their craft. Tickets are just \$6 and good for the entire weekend. For more information visit RockRollers.org or call 276.3992.
